Civil Action No. 6:24-5630-MGL

**ORDER ADOPTING THE REPORT AND RECOMMENDATION
AND DISMISSING THIS MATTER WITH PREJUDICE,
WITHOUT FURTHER LEAVE FOR AMENDMENT,
AND WITHOUT ISSUANCE AND SERVICE OF PROCESS**

Plaintiff Logan Richard Lenz (Lenz), who is representing himself, filed this action against Defendant Anderson County Detention Center, alleging violations of his constitutional rights under 42 U.S.C. § 1983.

This matter is before the Court for review of the Report and Recommendation (Report) of the United States Magistrate Judge recommending the Court dismiss this case with prejudice, without leave to amend, and without issuance and service of process. The Report was made in accordance with 28 U.S.C. § 636 and Local Civil Rule 73.02 for the District of South Carolina.

The Magistrate Judge makes only a recommendation to this Court. The recommendation has no presumptive weight. The responsibility to make a final determination remains with the Court. *Mathews v. Weber*, 423 U.S. 261, 270 (1976). The Court is charged with making a de novo determination of those portions of the Report to which specific objection is made, and the Court

may accept, reject, or modify, in whole or in part, the recommendation of the Magistrate Judge or recommit the matter with instructions. 28 U.S.C. § 636(b)(1).

The Magistrate Judge filed the Report on January 2, 2025. To date, Lenz has failed to file any objections.

Although the Report was returned to the Court as undeliverable, the Magistrate Judge previously advised Lenz of his duty “to always keep the Clerk of Court advised in writing . . . if [his] address changes for any reason, so as to assure that orders or other matters that specify deadlines for [him] to meet will be received by [him].” October 28, 2024 Order at 3. The Magistrate Judge further advised Lenz’s failure to comply with this requirement is deemed inexcusable and could result in dismissal of his case. *Id.* Therefore, the Court will proceed to review the Report under the standard set forth herein.

“[I]n the absence of a timely filed objection, a district court need not conduct a de novo review, but instead must ‘only satisfy itself that there is no clear error on the face of the record in order to accept the recommendation.’” *Diamond v. Colonial Life & Accident Ins. Co.*, 416 F.3d 310, 315 (4th Cir. 2005). Moreover, a failure to object waives appellate review. *Wright v. Collins*, 766 F.2d 841, 845–46 (4th Cir. 1985).

After a thorough review of the Report and the record in this case under the standard set forth above, the Court adopts the Report and incorporates it herein. Therefore, it is the judgment of the Court this matter is **DISMISSED WITH PREJUDICE**, without further leave to amend, and without issuance and service of process.

IT IS SO ORDERED.

Signed this 12th day of February 2025, in Columbia, South Carolina.
